Dear Administrator, Principal, Counselor:

The Tucson Youth Football and Spirit Federation (TYFSF) Program is unique among youth sports organizations. What makes us unique is that we require for participants to maintain satisfactory progress in their academic studies. TYFSF goal is to build sound minds and bodies for our future leaders.

We understand that not all of our participants will meet our scholastic standards. Our program takes steps to monitor their grades and help them improve their scholastic areas if difficulty. We do not want to penalize any of our participants by not allowing them to take part in the program. So we are asking you, the school officials, to help us monitor the progress of these participants so that they maintain a minimum standard and understand the value of academics in conjunction with athletics.

Please take a moment to fill out the section below. **BY SIGNING THIS FORM, YOU AND/OR YOUR SCHOOL WILL NOT BE HELD ACCOUNTABLE FOR THE PARTICIPATION OF THIS PARTICIPANT.** This is just one step in the right direction for aiding us to help the participants at both the school level and the athletic level.

Thank You,
Tucson Youth Football and Spirit Federation, Inc.
